MOHAMED SHAHEEN KAIPALLY

CAREER OBJECTIVE

As a new person in the company, I will try to understand the nature of the work with the help of my seniors. Whatever knowledge I have accumulated regarding my job, I will try to implement it in my job. If I have any innovative ideas regarding my job, I will share those with my seniors. This perspective will help me to achieve the appreciation and recognition in the company.

SKILLS SET

Operating System	Windows, Linux
Languages	C, C++, Java, php, css, html, python, Android, SQL
Others	Adobe photoshop, premier pro, after effects

ACHIEVEMENTS

- Stood 3rd place in "code invasion" technical event held at Indus university
- Secured first rank in technical quiz on digital electronics held at LJIET

PROJECT DETAILS

- Development of an App – "Guru-Student App"

    Guru-Student app is an android base application which is an interactive model between teachers and enthusiastic students where the "GURU" will share study materials to the student via post supported in all media format be it audio, video or documents. As it is an interactive model it will allow posting queries and solutions by the users. The data will be stored in Firebase.
